SMITHSONIAN INSTITUTION

FY 1985

UNRESTRICTED TRUST FUND BUDGET
(with Summaries of All Operating Funds FY 1984 - FY 1986)

Introduction

The purpose of this publication is to provide detail information (i.e. monthly breakdown of the auxiliary activities budgets) for the Unrestricted General Trust funds, and to provide a summary of all operating funds (Federal and Trust) which reflects detail funding information. Narrative which describes the nature and uses of these funds is contained in the Five-Year Prospectus and Federal budget justifications to the Office of Management and Budget. This publication is issued in October of each year and contains estimates for the prior fiscal year (in this case--FY 1984), budgets for the current fiscal year, and estimates for the next fiscal year. An updated version will be published January 1, 1985, which will reflect the actual FY 1984 income and expenses.

The recent organization changes of the Directorate of International Activities, International Center, Office of International Services, International Exchange Service, Office of Coordinator of Public Information, Office of Public Affairs, Office of Special Events, Office of Congressional Liaison and the Keeper of the Castle are not reflected in this publication, but will be reflected in the updated January version.

I. The chart presented under TAB A provides an overview of the FY 1985 Unrestricted General Trust fund budget, projected FY 1984 and estimates for FY 1986 through FY 1990.

The FY 1985 Unrestricted General Trust budget reflects a balanced budget. Overall net income from all unrestricted sources is projected to decrease by \$910,000 from the FY 1984 projected income level of \$20,610,000 to \$19,700,000.

The FY 1985 budget provides for the continuation of Institutional priority programs such as Collections Acquisition, Scholarly Studies and Educational Outreach Program (\$2,200,000); Special Exhibition Program (\$3,000,000); Conversion to IBM Computer (\$500,000); Collaborative Education Program (\$80,000); and transfers to the Endowment (\$3,000,000). The fellowships and visiting scholars programs are funded at a level of \$1,900,000.

II. Under TAB B, the monthly breakdown of the FY 1985 Unrestricted General Trust fund budgeted revenues and expenditures is displayed. This breakdown will assist in monitoring and reviewing individual unit's adherence to the budget during the fiscal year.

III. The Summaries of All Operating Funds FY 1984 - FY 1986, shown under TAB C, include a listing of Smithsonian funds by name and number for each bureau (excluding non-operating funds such as construction, foreign currency and endowment principal). The Expenditures by Fund Category for each organization summarizes the expenditures in FY 1984 - FY 1986 by fund category--Federal; General (Administrative, Program Allotment and Auxiliary Activities); Special Purpose (Special Purpose - Bureau Activity and Special Purpose - Other); Restricted (Endowment Income, Gifts and Foundation Grants); and Federal Grants and Contracts. The information in TAB C consists of projected income and expenses for FY 1984, FY 1985 budget and FY 1986 estimates. In a few cases, adjustments are noted which reconcile the numbers in the unit's submission to the Five-Year Prospectus. The FY 1985 Federal figures represent the request to Congress.
