

SEMINAR

The luncheon talk on Tuesday, Sept. 23, will be given by JAIME CAVELIER from the Universidad de Los Andes in Venezuela. His subject:

Water Supplies and Demands in Elfin Cloud Forests.

Different parameters affecting tree species will be discussed, and a comparison between elfin cloud forests found along the Caribbean coast of South America will be made.

ARRIVALS & DEPARTURES

September 20 - Arriving, MAUREEN CHURCH, to assist Lizzy Coley and Tom Kursar on BCI. She will be here until December 20.

September 24 - Arriving, JAMES HAMRICK, from the University of Georgia to study the breeding structure of 3 tropical tree species. He will be on BCI until October 19.

BCI NEWS

Mr. Juan Barria and Mr. Alvaro Guardia of the Policia Forestal arrested 3 more poachers on September 10. The poachers admitted to three previous trips to BCI. Their arrest should solve a growing crisis on the island. Congratulations also to Alejandro Hernandez, Alvaro Gonzalez, Mario Bernal, Gabriel Abrego and Pablo Rodriguez, who assisted in the arrest.

---

Juan Barria y Alvaro Guardia de la Policia Forestal arrestaron a 3 cazadores furtivos en BCI el 10 de septiembre. Los cazadores admitieron haber visitado la isla en tres ocasiones anteriores. Su arresto debe poner termino a la crisis que se estaba dando en BCI. Felicitaciones también para Alejandro Hernandez, Alvaro Gonzalez, Mario Bernal, Gabriel Abrego y Pablo Rodriguez, quienes asistieron en el arresto.

DELEGATION OF AUTHORITY

During Dr. Jackson's absense, from September 18 to October 6, ARCADIO RODANICHE will be Acting Marine Coordinator.

NEW KATHLEEN S. ANDERSON AWARD

A new annual award has been created to honor the contributions of Kathleen S. Anderson to the Manomet Bird Observatory. Applications will be accepted in the areas of bird migration, populations, feeding ecology, shorebirds, habitat fragmentation, competition and endangered species. The projects must take place in the Americas and a total of \$1000 is available. Biology students at all levels may apply before December 1.

-----

Un premio anual ha sido creado para honrar las sobresalientes contribuciones de Kathleen S. Anderson al Observatorio de Aves Manomet. Se consideraran solicitudes para el apoyo de proyectos que tengan lugar en las Americas sobre la migración de aves, la ecología de su alimentación, la fragmentación de su habitat, las poblaciones, la competencia, las aves de playa y las especies en peligro de extinción. Estudiantes de biología a todo nivel son elegibles para un premio de \$1000 en total. La fecha limite para la entrega de solicitudes es el 1ero de diciembre.

ALLEE STUDENT COMPETITION AWARD

A former pre-doctoral fellow at STRI, Eldridge Adams, from the University of California at Berkeley, was runner-up for the 1986 Allee competition for best student paper in animal behavior. Mary MacDonald from the University of Florida won. A total of 15 papers were presented.
