Smithsonian Libraries & Archives
Smithsonian Institution

I, María José González, executive director of the Mesoamerican Reef Fund (MAR Fund), grant permission to the Smithsonian Institution to create a Digital Object Identifier (DOI) for the documents:

Regional Strategy for Mangrove Management, Conservation, Restoration and Monitoring in the Mesoamerican Reef 2020-2025.

and

Estrategia Regional de Manejo, Conservación, Restauración y Monitoreo de Manglares en el Arrecife Mesoamericano 2020-2025.

These documents were produced through a collaboration of the MAR Fund with the Smithsonian Institution and other partners. The MAR Fund does not intend to issue another DOI for these documents or grant the same permission to any other entity to create additional DOIs for these documents.

Best regards,

A handwritten signature in black ink, appearing to read "María José González", with a long horizontal line underneath it.

María José González
Executive Director
