AN ACT

Making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 1993, and for other purposes.

1. Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,
3 That the following sums are appropriated, out of any
4 money in the Treasury not otherwise appropriated, for the
5 Department of the Interior and related agencies for the
6 fiscal year ending September 30, 1993, and for other pur-
7 poses, namely:
TITLE I—DEPARTMENT OF THE INTERIOR

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For expenses necessary for protection, use, improvement, development, disposal, cadastral surveying, classification, and performance of other functions, including maintenance of facilities, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including the general administration of the Bureau of Land Management, $531,967,000, subject to authorization $545,517,000, and $2,500,000 from unobligated balances appropriated under this heading in Public Law 99-591 for insect and disease control projects, including grasshoppers, which balances may be applied to any activity provided for under this heading and of which the following amounts shall remain available until expended: not to exceed $1,450,000 to be derived from the special receipt account established by section 4 of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 460l-6a(i)), and $33,500,000 for the Automated Land and Mineral Record System Project: Provided, That appropriations herein made shall not be available for the destruction of healthy, unadopted, wild horses and burros in the care of the Bureau of Land Management or its contractors;
and in addition, $12,430,000 for Mining Law Administra-
tion program operations to remain available through Sep-
tember 30, 1993, to be reduced by amounts collected by
the Bureau of Land Management and credited to this ap-
propriation from annual mining claim holding fees: Pro-
vided further, That the sum herein appropriated shall be
reduced as mining claim holding fees are received during
fiscal year 1993 so as to result in a final fiscal year 1993
appropriation estimated at not more than $531,967,000
$545,517,000: Provided further, That in addition to funds
otherwise available, not to exceed $5,000,000 from annual
mining claim holding fees shall be credited to this account
for the costs of administering the mining claim holding
fee program, and shall remain available until expended—
Provided further, That none of the funds appropriated or
otherwise made available pursuant to this Act shall be ob-
ligated or expended to accept or process applications for
a patent for any mining or mill site claim located under
the general mining laws or to issue a patent for any min-
ing or mill site claim located under the general mining
laws unless the Secretary of the Interior determines that,
for the claim concerned: (1) a patent application was filed
with the Secretary on or before the date of enactment of
this Act; and (2) all requirements established under sec-
tions 2325 and 2326 of the Revised Statutes (30 U.S.C.:
29 and 30) for vein or lode claims and sections 2329,
2330, 2331, and 2333 of the Revised Statutes (30 U.S.C.
35, 36, and 37) for placer claims, and section 2327 of
the Revised Statutes (30 U.S.C. 42) for mill site claims;
as the case may be, were fully complied with by that date.

FIRE PROTECTION

For necessary expenses for fire management, emer-
genous rehabilitation, firefighting, fire suppression, and
other related emergency actions by the Department of the
Interior, $119,560,000, subject to authorization
$119,310,000, to remain available until expended: Pro-
vided, That such funds also are to be available for repay-
ment of advances to other appropriation accounts from
which funds were previously transferred for such purposes:
Provided further, That unexpended balances of amounts
previously appropriated for this purpose under the head-
ing “Firefighting”, Bureau of Land Management, may be
transferred to and merged with this appropriation and ac-
counted for as one appropriation for the same time period
as originally enacted.

EMERGENCY DEPARTMENT OF THE INTERIOR

FIREFIGHTING FUND

For emergency rehabilitation and wildfire suppres-
sion activities of the Department of the Interior,
$113,640,000, subject to authorization, to remain avail-
able until expended: Provided, That such funds also are

HR 5503 RS
to be available for repayment of advances to other appropriation accounts from which funds were previously transferred for such purposes: Provided further, That notwithstanding any other provision of law, persons hired pursuant to 43 U.S.C. 1469 may be furnished subsistence and lodging without cost from funds available from this appropriation.

In addition, for emergency rehabilitation and wildfire suppression activities of the Department of the Interior, $51,200,000, subject to authorization, to remain available until expended: Provided, That these funds, or any portion thereof, shall be available beginning in fiscal year 1993 only (1) to the extent that the President notifies the Congress in an official budget request of his designation of any or all of these amounts as emergency requirements under the Balanced Budget and Emergency Deficit Control Act of 1985; and (2) if the amounts annually appropriated under this heading, but not designated as emergency requirements pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985, have been at least equal to the most recent ten-year historical average, less any enacted cost saving program reforms: Provided further, That Congress hereby designates these amounts as emergency requirements pursuant to

CONSTRUCTION AND ACCESS

For acquisition of lands and interests therein, and construction of buildings, recreation facilities, roads, trails, and appurtenant facilities, $13,225,000, subject to authorization $17,763,000, to remain available until expended.

PAYMENTS IN LIEU OF TAXES

For expenses necessary to implement the Act of October 20, 1976 (31 U.S.C. 6901–07), $105,000,000, of which not to exceed $400,000 shall be available for administrative expenses.

LAND ACQUISITION

For expenses necessary to carry out the provisions of sections 205, 206, and 318(d) of Public Law 94–579 including administrative expenses and acquisition of lands or waters, or interests therein, and for activities authorized under Public Law 102–259 to be carried out by the Morris K. Udall Scholarship and Excellence in National Environmental Policy Foundation, $25,940,000 $24,550,000 to be derived from the Land and Water Conservation Fund, to remain available until expended.

OREGON AND CALIFORNIA GRANT LANDS

For expenses necessary for management, protection, and development of resources and for construction, oper-
ation, and maintenance of access roads, reforestation, and
other improvements on the revested Oregon and California
Railroad grant lands, on other Federal lands in the Or-
egon and California land-grant counties of Oregon, and
on adjacent rights-of-way; and acquisition of lands or in-
terest therein including existing connecting roads on or
adjacent to such grant lands; $82,122,000 $83,932,000, to
remain available until expended: Provided, That 25 per
centum of the aggregate of all receipts during the current
fiscal year from the revested Oregon and California Rail-
road grant lands is hereby made a charge against the Or-
egon and California land grant fund and shall be trans-
ferred to the General Fund in the Treasury in accordance
with the provisions of the second paragraph of subsection
(b) of title II of the Act of August 28, 1937 (50 Stat.
876).

FOREST ECOSYSTEMS HEALTH AND RECOVERY

The Secretary of the Interior shall establish a special
fund from the Federal share of moneys received from the
disposal of salvage forest products or timber prepared for
sale pursuant to this section. This fund shall be available,
without further appropriation, for the purposes of planning
and preparing salvage timber for disposal, the administra-
tion of timber sales pursuant to this section, and the sub-
sequent site preparation and reforestation.
There is hereby appropriated an amount of $1,000,000
to establish this fund.

RANGE IMPROVEMENTS

For rehabilitation, protection, and acquisition of
lands and interests therein, and improvement of Federal
rangelands pursuant to section 401 of the Federal Land
Policy and Management Act of 1976 (43 U.S.C. 1701),
notwithstanding any other Act, sums equal to 50 per cen-
tum of all moneys received during the prior fiscal year
under sections 3 and 15 of the Taylor Grazing Act (43
U.S.C. 315 et seq.) and the amount designated for range
improvements from grazing fees and mineral leasing re-
cceipts from Bankhead-Jones lands transferred to the De-
partment of the Interior pursuant to law, but not less than
$10,747,000, subject to authorization, to remain available
until expended: Provided, That not to exceed $600,000
shall be available for administrative expenses.

SERVICE CHARGES, DEPOSITS, AND FORFEITURES

For administrative expenses and other costs related
to processing application documents and other authoriza-
tions for use and disposal of public lands and resources,
for costs of providing copies of official public land docu-
ments, for monitoring construction, operation, and termi-
nation of facilities in conjunction with use authorizations,
and for rehabilitation of damaged property, such amounts
as may be collected under sections 209(b), 304(a), 304(b),
305(a), and 504(g) of the Act approved October 21, 1976 (43 U.S.C. 1701), and sections 101 and 203 of Public Law 93–153, subject to authorization, to be immediately available until expended: Provided, That notwithstanding any provision to the contrary of section 305(a) of the Act of October 21, 1976 (43 U.S.C. 1735(a)), any moneys that have been or will be received pursuant to that section, whether as a result of forfeiture, compromise, or settlement, if not appropriate for refund pursuant to section 305(c) of that Act (43 U.S.C. 1735(c)), shall be available and may be expended under the authority of this or subsequent appropriations Acts by the Secretary to improve, protect, or rehabilitate any public lands administered through the Bureau of Land Management which have been damaged by the action of a resource developer, purchaser, permittee, or any unauthorized person, without regard to whether all moneys collected from each such forfeiture, compromise, or settlement are used on the exact lands damage to which led to the forfeiture, compromise, or settlement: Provided further, That such moneys are in excess of amounts needed to repair damage to the exact land for which collected.

MISCELLANEOUS TRUST FUNDS

In addition to amounts authorized to be expended under existing law, there is hereby appropriated such amounts as may be contributed under section 307 of the
1 Act of October 21, 1976 (43 U.S.C. 1701), and such
2 amounts as may be advanced for administrative costs, sur-
3 veys, appraisals, and costs of making conveyances of omit-
4 ted lands under section 211(b) of that Act, subject to au-
5 thorization, to remain available until expended.

6 ADMINISTRATIVE PROVISIONS

7 Appropriations for the Bureau of Land Management
8 shall be available for purchase, erection, and dis-
9 mantlement of temporary structures, and alteration and
10 maintenance of necessary buildings and appurtenant fa-
11 cilities to which the United States has title; up to
12 $100,000 for payments, at the discretion of the Secretary,
13 for information or evidence concerning violations of laws
14 administered by the Bureau of Land Management; mis-
15 cellaneous and emergency expenses of enforcement activi-
16 ties authorized or approved by the Secretary and to be
17 accounted for solely on his certificate, not to exceed
18 $10,000; Provided, That appropriations herein made for
19 Bureau of Land Management expenditures in connection
20 with the revested Oregon and California Railroad and
21 reconveyed Coos Bay Wagon Road grant lands (other than
22 expenditures made under the appropriation “Oregon and
23 California grant lands”) shall be reimbursed to the Gen-
24 eral Fund of the Treasury from the 25 per centum re-
25 ferred to in subsection (c), title II, of the Act approved
26 August 28, 1937 (50 Stat. 876), of the special fund des-
1 signed the “Oregon and California land grant fund” and
2 section 4 of the Act approved May 24, 1939 (53 Stat.
3 754), of the special fund designated the “Coos Bay Wagon
4 Road grant fund”: Provided further, That appropriations
5 herein made, in fiscal year 1993 and thereafter, may be
6 expended for surveys of Federal lands and on a reimburs-
7 able basis for surveys of Federal lands and for protection
8 of lands for the State of Alaska: Provided further, That an
9 appeal of any reductions in grazing allotments on public
10 rangelands must be taken within thirty days after receipt
11 of a final grazing allotment decision. Reductions of up to
12 10 per centum in grazing allotments shall become effective
13 when so designated by the Secretary of the Interior. Upon
14 appeal any proposed reduction in excess of 10 per centum
15 shall be suspended pending final action on the appeal,
16 which shall be completed within two years after the appeal
17 is filed: Provided further, That notwithstanding 44 U.S.C.
18 501, the Bureau may, under cooperative cost-sharing and
19 partnership arrangements authorized by law, procure
20 printing services from cooperators in connection with
21 jointly-produced publications for which the cooperators
22 share the cost of printing either in cash or in services,
23 and the Bureau determines the cooperator is capable of
24 meeting accepted quality standards: Provided further,
25 That notwithstanding any other provisions of law, that ef-
fected upon the date of enactment of this Act for the fiscal
year 1993 and every year thereafter, for each unpatented
mining claim, mill or tunnel site on federally owned lands,
in lieu of the assessment work requirements contained in
the Mining Law of 1872 (30 U.S.C. 28-28(e)), and the
filing requirements contained in Section 314(a) of the
Federal Land Policy and Management Act of 1976
(FLPMA) (43 U.S.C. 1744(a)) and the related require-
ments of Section 314(c) of FLPMA (43 U.S.C. 1744(c)),
the claimant shall pay an annual holding fee of $100.00
to the Secretary of the Interior or his designee on or be-
fore August 31 of each year in order for the claimant to
hold such unpatented mining claim, mill or tunnel site for
the following year beginning on September 1: Provided
further, That the fee established by this Act in lieu of the
assessment work requirements for the assessment year
ending at noon on September 1, 1993, shall be due and
payable to the Secretary on or before June 30, 1993, ex-
cept that such fee otherwise due and payable for this pe-
period shall be waived by the Secretary or his designee if
the claimant files an affidavit of assessment work by June
30, 1993, showing the labor required by 30 U.S.C. 28 was
completed for the assessment year ending at noon Septem-
ber 1, 1993, before the effective date of this Act: Provided
further, That such fee otherwise due and payable for the
assessment year ending at noon on September 1, 1993, for mill and tunnel sites shall be waived by the Secretary or his designee if the claimant files a notice of intention to hold the site by June 30, 1993: Provided further, That for every unpatented mining claim, mill or tunnel site located after the date of enactment of this Act, the locator shall pay $100.00 to the Secretary of the Interior or his designee at the time the location notice is recorded with the Bureau of Land Management to hold such claim for the year in which the location was made: Provided further, That the co-ownership provision of 30 U.S.C. 28 will remain in effect except that the annual holding fee shall replace the assessment work requirements and expenditures: Provided further, That failure to make the annual payment of the holding fee required by this Act shall conclusively constitute an abandonment of the unpatented mining claim, mill or tunnel site by the claimant: Provided further, That nothing in this Act shall change or modify the requirements of Section 314(b) of FLPMA (43 U.S.C. 1744(b)) or the requirements of Section 314(c) of FLPMA (43 U.S.C. 1744(c)) related to filings required by Section 314(b), which shall remain in effect: Provided further, That the Secretary of the Interior shall promulgate rules and regulations to carry out the purposes of
this Section as soon as practicable after the effective date of this Act.

For expenses necessary for the United States Geo-
logical Survey to perform surveys, investigations, and re-
search covering topography, geology, hydrology, and the
mineral and water resources of the United States, its Ter-
ritories and possessions, and other areas as authorized by
law (43 U.S.C. 31, 1332 and 1340); classify lands as to
their mineral and water resources; give engineering super-
vision to power permittees and Federal Energy Regulatory
Commission licensees; administer the minerals exploration
program (30 U.S.C. 641); and publish and disseminate
data relative to the foregoing activities; $587,668,000
$570,821,000, of which $64,032,000 shall be available only
for cooperation with States or municipalities for water re-
sources investigations: Provided, That no part of this ap-
propriation shall be used to pay more than one-half the
cost of any topographic mapping or water resources inves-
tigations carried on in cooperation with any State or mu-
icipality.
ADMINISTRATIVE PROVISIONS

The amount appropriated for the United States Geological Survey shall be available for purchase of not to exceed 22 passenger motor vehicles, for replacement only; reimbursement to the General Services Administration for security guard services; contracting for the furnishing of topographic maps and for the making of geophysical or other specialized surveys when it is administratively determined that such procedures are in the public interest; construction and maintenance of necessary buildings and appurtenant facilities; acquisition of lands for gauging stations and observation wells; expenses of the United States National Committee on Geology; and payment of compensation and expenses of persons on the rolls of the United States Geological Survey appointed, as authorized by law, to represent the United States in the negotiation and administration of interstate compacts: Provided, That activities funded by appropriations herein made may be accomplished through the use of contracts, grants, or cooperative agreements as defined in Public Law 95–224.

MINERALS MANAGEMENT SERVICE

LEASING AND ROYALTY MANAGEMENT

For expenses necessary for minerals leasing and environmental studies, regulation of industry operations, and collection of royalties, as authorized by law; for enforcing
laws and regulations applicable to oil, gas, and other minerals leases, permits, licenses and operating contracts; and for matching grants or cooperative agreements; including the purchase of not to exceed eight passenger motor vehicles for replacement only; $197,514,000 $194,014,000, of which not less than $67,115,000 shall be available for royalty management activities; and an amount not to exceed $5,000,000 for the Technical Information Management System of Outer Continental Shelf (OCS) Lands Activity, to be credited to this appropriation and to remain available until expended, from additions to current preset receipts and from additional fee collections relating to OCS administrative activities performed by the Minerals Management Service over and above what the Minerals Management Service currently collects to offset its costs for these activities: Provided, That $1,500,000 for computer acquisitions shall remain available until September 30, 1994: Provided further, That funds appropriated under this Act shall be available for the payment of interest in accordance with 30 U.S.C. 1721 (b) and (d): Provided further, That not to exceed $3,000 shall be available for reasonable expenses related to promoting volunteer beach and marine cleanup activities: Provided further, That notwithstanding any other provision of law, $10,000 under this head shall be available for refunds of overpayments.
in connection with certain Indian leases in which the Director of the Minerals Management Service concurred with the claimed refund due: Provided further, That notwithstanding any other provision of law, $155,275,000 $76,850,000 shall be deducted from Federal onshore mineral leasing receipts prior to the division and distribution of such receipts between the States and the Treasury and shall be credited to miscellaneous receipts of the Treasury: Provided further, That, notwithstanding any other provision of law, in fiscal year 1993 and thereafter, the Minerals Management Service shall have the authority to collect and expend all collections from user fees resulting from the Minerals Management Service providing the services of its Oil and Hazardous Materials Simulated Environmental Test Tank testing facility in Leonardo, New Jersey, and these collections shall be credited to this account to remain available until expended, and used to offset operation and maintenance costs associated with providing such services: Provided further, That the fifth proviso under the heading “Leasing and Royalty Management” for the Minerals Management Service in Public Law 101–512 (104 Stat. 1926) is amended by striking the words “this account” after the words “shall be credited to” and inserting in lieu thereof “the leasing and roy-
alty management account of the Minerals Management
Service’.

law, $173,056,000 $176,513,000, of which $107,506,000
$97,013,000 shall remain available until expended: Pro-
vided, That none of the funds in this or any other Act
may be used for the closure or consolidation of any re-
search centers or the sale of any of the helium facilities currently in operation.

ADMINISTRATIVE PROVISIONS

The Secretary is authorized to accept lands, buildings, equipment, other contributions, and fees from public and private sources, and to prosecute projects using such contributions and fees in cooperation with other Federal, State or private agencies: Provided, That the Bureau of Mines is authorized, during the current fiscal year, to sell directly or through any Government agency, including corporations, any metal or mineral product that may be manufactured in pilot plants operated by the Bureau of Mines, and the proceeds of such sales shall be covered into the Treasury as miscellaneous receipts.

OFFICE OF SURFACE MINING RECLAMATION AND ENFORCEMENT

REGULATION AND TECHNOLOGY

For necessary expenses to carry out the provisions of the Surface Mining Control and Reclamation Act of 1977, Public Law 95–87, as amended, including the purchase of not to exceed 15 passenger motor vehicles, of which 11 shall be for replacement only; $112,674,000, and notwithstanding 31 U.S.C. 3302, an additional amount shall be credited to this account, to remain available until expended, from performance bond forfeitures in fiscal year 1993: Provided, That notwithstanding any other provision
of law, the Secretary of the Interior, pursuant to regula-
tions, may utilize directly or through grants to States,
moneys collected in fiscal year 1993 pursuant to the as-
essment of civil penalties under section 518 of the Sur-
face Mining Control and Reclamation Act of 1977 (30
U.S.C. 1268), to reclaim lands adversely affected by coal
mining practices after August 3, 1977, to remain available
until expended: Provided further, That notwithstanding
any other provisions of law, appropriations for the Office
of Surface Mining Reclamation and Enforcement may pro-
vide for the travel and per diem expenses of State and
tribal personnel attending Office of Surface Mining Recl-
amation and Enforcement sponsored training.—Provided
further, That the funds provided herein to implement and
operate the Applicant Violator System shall be used only
to the extent that system is in compliance with the Janu-
ary 24, 1990 Settlement Agreement between Save Our
Cumberland Mountains, Inc. and Manuel Lujan, Jr., Sec-
retary, United States Department of the Interior; et al.

ABANDONED MINE RECLAMATION FUND

For necessary expenses to carry out the provisions
of title IV of the Surface Mining Control and Reclamation
Act of 1977, Public Law 95–87, as amended, including
the purchase of not more than 22 passenger motor vehi-
cles, of which 16 shall be for replacement only,
$188,041,000 $191,041,000 to be derived from receipts of
the Abandoned Mine Reclamation Fund and to remain available until expended; Provided, That of the funds here-in provided up to $22,000,000 may be used for the emergency program authorized by section 410 of Public Law 95–87, as amended, of which no more than 25 per centum shall be used for emergency reclamation projects in any one State and funds for Federally-administered emergency reclamation projects under this proviso shall not exceed $15,000,000. Provided further, That 23 full-time equivalent positions are to be maintained in the Anthracite Reclamation Program at the Wilkes-Barre Field Office; Provided further, That pursuant to Public Law 97–365, the Department of the Interior is authorized to utilize up to 20 per centum from the recovery of the delinquent debt owed to the United States Government to pay for contracts to collect these debts; Provided further, That of the funds made available to the States to contract for reclamation projects authorized in section 406(a) of Public Law 95–87, administrative expenses may not exceed 15 per centum: Provided further, That the Secretary of the Interior may deny 50 per centum of an Abandoned Mine Reclamation Fund grant, available to a State pursuant to title IV of Public Law 95–87, in accordance with the procedures set forth in section 521(b) of the Act, when the Secretary determines that a State is systematically failing to admin-
ister adequately the enforcement provisions of the approved
State regulatory program. Funds will be denied until such
time as the State and Office of Surface Mining Reclamation
and Enforcement have agreed upon an explicit plan of ac-
tion for correcting the enforcement deficiency. A State may
enter into such agreement without admission of culpability.
If a State enters into such agreement, the Secretary shall
take no action pursuant to section 521(b) of the Act as long
as the State is complying with the terms of the agreement.

ADMINISTRATIVE PROVISION

None of the funds available to the Office of Surface
Mining Reclamation and Enforcement shall be expended
to create or maintain more than one Deputy Director posi-
tion.

$270,938,000 for school operations costs of Bureau-funded
schools and other education programs which shall become
available for obligation on July 1, 1993, and shall remain
available for obligation until September 30, 1994, and
$53,954,000 $50,291,000 for housing improvement and
road maintenance, to remain available until expended, and
of which, funds obligated as grants to schools pursuant
to Public Law 100–297 shall be made on July 1 and De-
cember 1 in lieu of the payments authorized to be made
on October 1 and January 1 of each calendar year, and
of which not to exceed $71,985,000 $71,854,000 for higher
education scholarships, adult vocational training, and as-
sistance to public schools under the Act of April 16, 1934
(48 Stat. 596), as amended (25 U.S.C. 452 et seq.), shall
remain available for obligation until September 30, 1994; and the funds made available to tribes and tribal organizations through contracts or grants obligated during fiscal year 1993 as authorized by the Indian Self-Determination Act of 1975 (88 Stat. 2203; 25 U.S.C. 450 et seq.), or grants authorized by the Indian Education Amendments of 1988 (25 U.S.C. 2001 and 2008A) shall remain available until expended by the contractor or grantee; and of which $2,000,000 for litigation support shall remain available until expended, $4,937,000 for self-governance tribal compacts shall be made available on completion and submission of such compacts to the Congress, and shall remain available until expended; and of which $1,190,000 for expenses necessary to carry out the provisions of section 19(a) of Public Law 93–531 (25 U.S.C. 640d–18(a)), shall remain available until expended: Provided, That none of the funds appropriated to the Bureau of Indian Affairs shall be expended as matching funds for programs funded under section 103(b)(2) of the Carl D. Perkins Vocational Education Act: Provided further, That $200,000 of the funds made available in this Act shall be available for cyclical maintenance of tribally owned fish hatcheries and related facilities: Provided further, That notwithstanding any other provision of law, funds provided for forestry in this and future acts, shall be available for a program of
technical, including on the ground, assistance to the Alaska
Public Law 93–638 contractors under Section 313 of Public
Law 101–630 through contracts, grants, or agreements in
accordance with the Indian Self-Determination Act (25
U.S.C. 450 et seq.): Provided further, That notwithstanding
any other provision of law, any locality qualified to select
land as a native village under the Alaska Native Claims
Settlement Act (Public Law 92–203 as amended) shall be
eligible to participate in funding for the Indian roads pro-
gram: Provided further, That for the purpose of Indian Res-
ervation road construction, all public Indian reservation
roads (as defined in 23 U.S.C. 101), identified in the 1990
Bureau of Indian Affairs Juneau Area Transportation
Study (and in any subsequent update of such Transpor-
tation Study) shall be included as Bureau of Indian Affairs
system adjusted miles in the Bureau of Indian Affairs high-
way trust fund formula for distribution for fiscal year
1993: Provided further, That this provision shall expire
upon implementation by the Secretary of the Interior of a
relative needs based highway trust fund allocation formula
pursuant to 23 U.S.C. 202(d): Provided further, That none
of the funds in this Act shall be used by the Bureau of
Indian Affairs to transfer funds under a contract with any
third party for the management of tribal or individual In-
dian trust funds until the funds held in trust for all such
tribes or individuals have been audited and reconciled to
the earliest possible date, the results of such reconciliation
have been certified by an independent party as the most
complete reconciliation of such funds possible, and the af-
fected tribe or individual has been provided with an ac-
counting of such funds: Provided further, That not-
withstanding any other provision of law, the statute of lim-
itations shall not commence to run on any claim concern-
ing losses to or mismanagement of trust funds, until the
affected tribe or individual Indian has been furnished with
the accounting of such funds from which the beneficiary
can determine whether there has been a loss: Provided fur-
ther, That $300,000 of the amounts provided for edu-
cation program management shall be available for a grant
to the Close Up Foundation: Provided further, That the
Task Force on Bureau of Indian Affairs Reorganization
shall continue activities under its charter as adopted and
amended on April 17, 1991: Provided further, That any
reorganization proposal shall not be implemented until the
Task Force has reviewed it and recommended its imple-
mentation to the Secretary and such proposal has been
submitted to and approved by the Committees on Appro-
priations, except that the Bureau may submit a reorga-
nization proposal related only to management improve-
ments, along with Task Force comments or re-

ommendations to the Committees on Appropriations for review and disposition by the Committees: Provided further, That to provide funding uniformity within a Self-Governance Compact, any funds provided in this Act with availability for more than one year may be reprogrammed to one year availability but shall remain available within the Compact until expended: Provided further, That notwithstanding any other provision of law, Indian tribal governments may, by appropriate changes in eligibility criteria or by other means, change eligibility for general assistance or change the amount of general assistance payments for individuals who are otherwise deemed eligible for general assistance payments so long as such changes are applied in a consistent manner to individuals similarly situated: Provided further, That any savings realized by such changes shall be available for use in meeting other priorities of the tribes: Provided further, That the obligated and unobligated balances associated with the housing improvement program and the road maintenance program shall be transferred to this account from “Construction”, and shall remain available until expended.

CONSTRUCTION

For construction, major repair, and improvement of irrigation and power systems, buildings, utilities, and other facilities, including architectural and engineering services by contract; acquisition of lands and interests in
lands; and preparation of lands for farming, $152,446,000
$141,746,000, to remain available until expended: Provided, That $1,482,000 of the funds made available in this Act shall be available for rehabilitation of tribally owned fish hatcheries and related facilities: Provided further, That such amounts as may be available for the construction of the Navajo Indian Irrigation Project may be transferred to the Bureau of Reclamation: Provided further, That not to exceed 6 per centum of contract authority available to the Bureau of Indian Affairs from the Federal Highway Trust Fund may be used to cover the road program management costs of the Bureau of Indian Affairs: Provided further, That none of the funds available to the Bureau of Indian Affairs in this or any other Act shall be used to transfer, through agreement, memorandum of understanding, demonstration project or other method, the Safety of Dams program of the Bureau of Indian Affairs to the Bureau of Reclamation: Provided further, That nothing herein shall prevent the Bureau of Indian Affairs or tribes from using, on a case-by-case basis, the technical expertise of the Bureau of Reclamation: Provided further, That none of the funds provided for the Safety of Dams program are available for transfer pursuant to sections 101 and 102 of this Act.
MISCELLANEOUS PAYMENTS TO INDIANS

For miscellaneous payments to Indian tribes and individuals pursuant to Public Laws 98–500, 99–264, 100–383, 100–512, 100–580, 101–618, 101–602, 101–486, 100–585 and 102–171, including funds for necessary administrative expenses, $29,109,000 $35,109,000, to remain available until expended. Provided, That of the funds provided herein $4,000,000 shall be available (1) to liquidate obligations owed tribal and individual Indian payees of any checks cancelled pursuant to section 1003 of the Competitive Equality Banking Act of 1987 (Public Law 100–86 (101 Stat. 659)), 31 U.S.C. 3334(b), and (2) to restore to Individual Indian Monies trust funds amounts invested in defaulted savings and loan associations not covered by Federal deposit insurance, including any interest on these amounts that may have been earned, but was not because of the default and the Bureau’s delay in restoring the amounts lost.

ADMINISTRATIVE PROVISIONS

There is hereby authorized for acquisition from available resources within the Working Capital Fund, 18 aircraft, 10 of which shall be for replacement and which may be obtained by donation, purchase or through available excess surplus property: Provided, That notwithstanding any other provision of law, existing aircraft being replaced may be sold, with proceeds derived or trade-in value used to offset the purchase price for the replacement aircraft: Provided further, That no programs funded with appropriated funds in the “Office of the Secretary”, “Office of the Solicitor”, and “Office of Inspector General” may be aug-
1. Appropriations made in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement, or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes; Provided, That no funds shall be made available under this authority until funds specifically made available to the Department of the Interior for emergencies shall have been exhausted; Provided further, That all funds used pursuant to this section are hereby designated by Congress to be "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985 and must be replenished by a supplemental appropriation which must be requested as promptly as possible.

Sec. 102. The Secretary may authorize the expenditure or transfer of any no year appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of forest or range fires on or threatening
lands under the jurisdiction of the Department of the Interior; for the emergency rehabilitation of burned-over lands under its jurisdiction; for emergency actions related to potential or actual earthquakes, floods, volcanoes, storms, or other unavoidable causes; for contingency planning subsequent to actual oilspills; response and natural resource damage assessment activities related to actual oilspills; for the prevention, suppression, and control of actual or potential grasshopper and Mormon cricket outbreaks on lands under the jurisdiction of the Secretary, pursuant to the authority in section 1773(b) of Public Law 99–198 (99 Stat. 1658); for emergency reclamation projects under section 410 of Public Law 95–87; and shall transfer, from any no year funds available to the Office of Surface Mining Reclamation and Enforcement, such funds as may be necessary to permit assumption of regulatory authority in the event a primacy State is not carrying out the regulatory provisions of the Surface Mining Act: Provided, That appropriations made in this title for fire suppression purposes shall be available for the payment of obligations incurred during the preceding fiscal year, and for reimbursement to other Federal agencies for destruction of vehicles, aircraft, or other equipment in connection with their use for fire suppression purposes, such reimbursement to be credited to appropriations currently available
at the time of receipt thereof: Provided further, That for emergency rehabilitation and wildfire suppression activities, no funds shall be made available under this authority until funds appropriated to the "Emergency Department of the Interior Firefighting Fund" shall have been exhausted: Provided further, That all funds used pursuant to this section are hereby designated by Congress to be "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985 and must be replenished by a supplemental appropriation which must be requested as promptly as possible: Provided further, That such replenishment funds shall be used to reimburse, on a pro rata basis, accounts from which emergency funds were transferred.

Sec. 103. Appropriations made in this title shall be available for operation of warehouses, garages, shops, and similar facilities, wherever consolidation of activities will contribute to efficiency or economy, and said appropriations shall be reimbursed for services rendered to any other activity in the same manner as authorized by sections 1535 and 1536 of title 31, U.S.C.: Provided, That reimbursements for costs and supplies, materials, equipment, and for services rendered may be credited to the
appropriation current at the time such reimbursements are received.

SEC. 104. SEC. 105. Appropriations available to the Department of the Interior for salaries and expenses shall be available for uniforms or allowances therefor, as authorized by law (5 U.S.C. 5901–5902 and D.C. Code 4–204).

SEC. 106. Appropriations made in this title shall be available for obligation in connection with contracts issued by the General Services Administration for services or rentals for periods not in excess of twelve months beginning at any time during the fiscal year.

SEC. 107. No funds provided in this title may be used to detail any employee to an organization unless such de-
tail is in accordance with Office of Personnel Management regulations.

Sec. 108. No funds provided in this title may be expended by the Department of the Interior for the conduct of offshore leasing and related activities placed under restriction in the President's moratorium statement of June 26, 1990, in the areas of Northern, Central, and Southern California; the North Atlantic; Washington and Oregon; and the Eastern Gulf of Mexico south of 26 degrees north latitude and east of 86 degrees west longitude.

Sec. 109. No funds provided in this title may be expended by the Department of the Interior for the conduct of leasing, or the approval or permitting of any drilling or other exploration activity, on lands within the North Aleutian Basin planning area.

Sec. 110. No funds provided in this title may be expended by the Department of the Interior for the conduct of preleasing and leasing activities in the Eastern Gulf of Mexico for Outer Continental Shelf Lease Sale 137 or for Sale 151 in the April 1992 proposal for the Outer Continental Shelf Natural Gas and Oil Resource Management Comprehensive Program, 1992–1997.

Sec. 111. No funds provided in this title may be expended by the Department of the Interior for the conduct of preleasing and leasing activities in the Atlantic for

SEC. 112. None of the funds made available by this Act may be used for the implementation or financing of agreements or arrangements with entities for the management of all lands, waters, and interests therein on Matagorda Island, Texas, which were purchased by the Department of the Interior with federally appropriated amounts from the Land and Water Conservation Fund.

SEC. 113. The provision of section 112 shall not apply if the transfer of management or control is ratified by law.

TITLE II—RELATED AGENCIES
DEPARTMENT OF AGRICULTURE

FOREST SERVICE
FOREST RESEARCH

For necessary expenses of forest research as authorized by law, $186,657,000 $178,723,000, to remain available until September 30, 1994.

STATE AND PRIVATE FORESTRY

For necessary expenses of cooperating with, and providing technical and financial assistance to States, Territories, possessions, and others; and for forest pest man-
agement activities, $136,020,000 $160,591,000, to remain available until expended, as authorized by law.

EMERGENCY PEST SUPPRESSION FUND

For necessary expenses for emergency suppression of pests, $42,915,000 $20,000,000, to remain available until expended: Provided, That these funds, or any portion thereof, shall be available beginning in fiscal year 1993 only to the extent that the President notifies the Congress in an official budget request of his designation of any or all of these amounts as emergency requirements under section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985: Provided further, That Congress hereby designates these amounts as emergency requirements pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985.

NATIONAL FOREST SYSTEM

For necessary expenses of the Forest Service, not otherwise provided for, for management, protection, improvement, and utilization of the National Forest System, and for administrative expenses associated with the management of funds provided under the heads “Forest Research”, “State and Private Forestry”, “National Forest System”, “Construction”, “Forest Service Fire Protection”, “Emergency Forest Service Firefighting Fund”, and “Land Acquisition”, $1,312,927,000 $1,306,077,000, to remain available for obligation until September 30,
1994, and including 65 per centum of all monies received during the prior fiscal year as fees collected under the Land and Water Conservation Fund Act of 1965, as amended, in accordance with section 4 of the Act (16 U.S.C. 460l–6a(i)): Provided, That unobligated and unexpended balances in the National Forest System account at the end of fiscal year 1992, shall be merged with and made a part of the fiscal year 1993 National Forest System appropriation, and shall remain available for obligation until September 30, 1994: Provided further, That timber volume authorized or scheduled for sale during fiscal year 1992, but which remains unsold at the end of fiscal year 1992, shall be offered for sale during fiscal year 1993 in addition to the fiscal year 1993 timber sale volume to the extent possible: Provided further, That up to $5,000,000 of the funds provided herein for road maintenance shall be available for the planned obliteration of roads which are no longer needed.

FOREST SERVICE FIRE PROTECTION

For necessary expenses for firefighting on or adjacent to National Forest System lands or other lands under fire protection agreement, and for forest fire management and presuppression on National Forest System lands, $192,785,000 $188,785,000, to remain available until expended: Provided, That unexpended balances of amounts
previously appropriated for this purpose under the heading "Forest Service Firefighting", Forest Service, may be transferred to and merged with this appropriation and accounted for as one appropriation for the same time period as originally enacted.

EMERGENCY FOREST SERVICE FIREFIGHTING FUND

For necessary expenses for emergency rehabilitation, presuppression due to emergencies or economic efficiency, and wildfire suppression activities of the Forest Service, $187,000,000, to remain available until expended: Provided, That such funds are available for repayment of advances from other appropriation accounts previously transferred for such purposes.

In addition, for necessary expenses for emergency rehabilitation, presuppression due to emergencies, and wildfire suppression activities of the Forest Service, $188,000,000, to remain available until expended: Provided, That these funds, or any portion thereof, shall be available beginning in fiscal year 1993 only (1) to the extent that the President notifies the Congress in an official budget request of his designation of any or all of these amounts as emergency requirements under the Balanced Budget and Emergency Deficit Control Act of 1985; and (2) if the amounts annually appropriated under this heading, but not designated as emergency requirements pursu-
1 ant to section 251(b)(2)(D) of the Balanced Budget and
2 Emergency Deficit Control Act of 1985, have been at least
3 equal to the most recent ten-year historical average, less
4 any enacted cost saving program reforms: Provided fur-
5 ther, That Congress hereby designates these amounts as
6 emergency requirements pursuant to section 251(b)(2)(D)
7 of the Balanced Budget and Emergency Deficit Control

CONSTRUCTION

For necessary expenses of the Forest Service, not
otherwise provided for, for construction, $241,440,000
$256,570,000, to remain available until expended, of which
$82,401,000 $84,063,000 is for construction and acquisi-
tion of buildings and other facilities; and $159,048,000
$172,507,000 is for construction and repair of forest roads
and trails by the Forest Service as authorized by 16
That funds becoming available in fiscal year 1993 under
the Act of March 4, 1913 (16 U.S.C. 501) shall be trans-
f erred to the General Fund of the Treasury of the United
States: Provided further, That not to exceed
$110,669,000, to remain available until expended, may be
obligated for the construction of forest roads by timber
purchasers.
LAND ACQUISITION

For expenses necessary to carry out the provisions of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 460l–4–11), including administrative expenses, and for acquisition of land or waters, or interest therein, in accordance with statutory authority applicable to the Forest Service, $62,072,000 $62,490,000, to be derived from the Land and Water Conservation Fund, to remain available until expended.

ACQUISITION OF LANDS FOR NATIONAL FORESTS

SPECIAL ACTS

For acquisition of lands within the exterior boundaries of the Cache, Uinta, and Wasatch National Forests, Utah; the Toiyabe National Forest, Nevada; and the Angeles, San Bernardino, Sequoia, and Cleveland National Forests, California, as authorized by law, $1,190,000, to be derived from forest receipts.

ACQUISITION OF LANDS TO COMPLETE LAND EXCHANGES

For acquisition of lands, to be derived from funds deposited by State, county, or municipal governments, public school districts, or other public school authorities pursuant to the Act of December 4, 1967, as amended (16 U.S.C. 484a), to remain available until expended.
RANGE BETTERMENT FUND

For necessary expenses of range rehabilitation, protection, and improvement, 50 per centum of all moneys received during the prior fiscal year, as fees for grazing domestic livestock on lands in National Forests in the sixteen Western States, pursuant to section 401(b)(1) of Public Law 94–579, as amended, to remain available until expended, of which not to exceed 6 per centum shall be available for administrative expenses associated with on-the-ground range rehabilitation, protection, and improvements.

GIFTS, DONATIONS AND BEQUESTS FOR FOREST AND RANGELAND RESEARCH

For expenses authorized by 16 U.S.C. 1643(b), $105,000, to remain available until expended, to be derived from the fund established pursuant to the above Act.

ADMINISTRATIVE PROVISIONS, FOREST SERVICE

Appropriations to the Forest Service for the current fiscal year shall be available for: (a) purchase of not to exceed 127 passenger motor vehicles of which 31 will be used primarily for law enforcement purposes and of which 101 shall be for replacement only, of which acquisition of 81 passenger motor vehicles shall be from excess sources, and hire of such vehicles; operation and maintenance of aircraft, the purchase of not to exceed two for replacement
only, and acquisition of 47 aircraft from excess sources; notwithstanding other provisions of law, existing aircraft being replaced may be sold, with proceeds derived or trade-in value used to offset the purchase price for the replacement aircraft; (b) services pursuant to the second sentence of section 706(a) of the Organic Act of 1944 (7 U.S.C. 2225), and not to exceed $100,000 for employment under 5 U.S.C. 3109; (c) purchase, erection, and alteration of buildings and other public improvements (7 U.S.C. 2250); (d) acquisition of land, waters, and interests therein, pursuant to the Act of August 3, 1956 (7 U.S.C. 428a); (e) for expenses pursuant to the Volunteers in the National Forest Act of 1972 (16 U.S.C. 558a, 558d, 558a note); and (f) for debt collection contracts in accordance with 31 U.S.C. 3718(e).

None of the funds made available under this Act shall be obligated or expended to change the boundaries of any region, to abolish any region, to move or close any regional office for research, State and private forestry, or National Forest System administration of the Forest Service, Department of Agriculture, without the consent of the House and Senate Committees on Appropriations and the Committee on Agriculture, Nutrition, and Forestry in the United States Senate and the Committee on Agriculture in the United States House of Representatives.
Any appropriations or funds available to the Forest Service may be advanced to the Forest Service Firefighting appropriation and may be used for forest firefighting and the emergency rehabilitation of burned-over lands under its jurisdiction: Provided, That no funds shall be made available under this authority until funds appropriated to the "Emergency Forest Service Firefighting Fund" shall have been exhausted.

The appropriation structure for the Forest Service may not be altered without advance approval of the House and Senate Committees on Appropriations.

Funds appropriated to the Forest Service shall be available for assistance to or through the Agency for International Development and the Office of International Cooperation and Development in connection with forest and rangeland research, technical information, and assistance in foreign countries, and shall be available to support forestry and related natural resource activities outside the United States and its territories and possessions, including technical assistance, education and training, and cooperation with United States and international organizations.

All funds received for timber salvage sales may be credited to the Forest Service Permanent Appropriations to be expended for timber salvage sales from any national
forest, and for timber sales preparation to replace sales lost
to fire or other causes, and sales preparation to replace sales
inventory on the shelf for any national forest to a level suffi-
cient to maintain new sales availability equal to a rolling
five-year average of the total sales offerings, and for design,
engineering, and supervision of construction of roads lost
to fire or other causes associated with the timber sales pro-
gram described above: Provided, That notwithstanding any
other provision of law, moneys received from the timber sal-
vage sales program in fiscal year 1993 and subsequent fiscal
years shall be considered as money received for purposes
of computing and distributing 25 per centum payments to
local governments under 16 U.S.C. 500, as amended.

None of the funds made available to the Forest Serv-
ice under this Act shall be subject to transfer under the
provisions of section 702(b) of the Department of Agri-
culture Organic Act of 1944 (7 U.S.C. 2257) or 7 U.S.C.
147b unless the proposed transfer is approved in advance
by the House and Senate Committees on Appropriations
in compliance with the reprogramming procedures con-

No funds appropriated to the Forest Service shall be
transferred to the Working Capital Fund of the Depart-
ment of Agriculture without the approval of the Chief of
the Forest Service.
Notwithstanding any other provision of law, any appropriations or funds available to the Forest Service may be used to disseminate program information to private and public individuals and organizations through the use of nonmonetary items of nominal value and to provide nonmonetary awards of nominal value and to incur necessary expenses for the nonmonetary recognition of private individuals and organizations that make contributions to Forest Service programs.

Notwithstanding any other provision of law, money collected, in advance or otherwise, by the Forest Service under authority of section 101 of Public Law 93–153 (30 U.S.C. 185(1)) as reimbursement of administrative and other costs incurred in processing pipeline right-of-way or permit applications and for costs incurred in monitoring the construction, operation, maintenance, and termination of any pipeline and related facilities, may be used to reimburse the applicable appropriation to which such costs were originally charged.

Funds available to the Forest Service shall be available to conduct a program of not less than $1,000,000 for high priority projects within the scope of the approved budget which shall be carried out by the Youth Conservation Corps as if authorized by the Act of August 13, 1970, as amended by Public Law 93–408.
None of the funds available in this Act shall be used for timber sale preparation using clearcutting in hardwood stands in excess of 25 percent of the fiscal year 1989 harvested volume in the Wayne National Forest, Ohio: Provided, That this limitation shall not apply to hardwood stands damaged by natural disaster: Provided further, That landscape architects shall be used to maintain a visually pleasing forest.

None of the funds made available to the Forest Service in this Act shall be expended for the purpose of issuing a special use authorization permitting land use and occupancy and surface disturbing activities for any project to be constructed on Lewis Fork Creek in Madera County, California, at the site above, and adjacent to, Corlieu Falls bordering the Lewis Fork Creek National Recreation Trail until the studies required in Public Law 100–202 have been submitted to the Congress: Provided, That any special use authorization shall not be executed prior to the expiration of thirty calendar days (not including any day in which either House of Congress is not in session because of adjournment of more than three calendar days to a day certain) from the receipt of the required studies by the Speaker of the House of Representatives and the President of the Senate.
None of the funds made available to the Forest Service in this Act shall be expended for the purpose of administering a special use authorization permitting land use and occupancy and surface disturbing activities for any project to be constructed on Rock Creek, Madera County, California, until a study has been completed and submitted to the Congress by the Forest Service in consultation with the United States Fish and Wildlife Service, the United States Army Corps of Engineers, the California State Water Resources Control Board, the California Department of Fish and Game and other interested public parties regarding the project’s potential cumulative impacts on the environment, together with a finding that there will be no substantial adverse impact on the environment. Findings from the study must be presented at no less than three public meetings.

Any money collected from the States for fire suppression assistance rendered by the Forest Service on non-Federal lands not in the vicinity of National Forest System lands shall be used to reimburse the applicable appropriation and shall remain available until expended as the Secretary may direct in conducting activities authorized by 16 U.S.C. 2101 (note), 2101–2110, 1606, and 2111.
Of the funds available to the Forest Service, $1,500
is available to the Chief of the Forest Service for official
reception and representation expenses.

Notwithstanding any other provision of law, the For-
est Service is authorized to employ or otherwise contract
with persons at regular rates of pay, as determined by the
Service, to perform work occasioned by emergencies such
as fires, storms, floods, earthquakes or any other unavoid-
able cause without regard to Sundays, Federal holidays,
and the regular workweek.

None of the funds available in this Act shall be used
for preparation of timber sales on the Shawnee National
Forest, Illinois.

Notwithstanding section 14 of the National Forest
Management Act of 1976 (16 U.S.C. 472a), the Secretary
of Agriculture may negotiate sales of Pacific yew at not
less than appraised value, to parties manufacturing taxol
in the United States in accordance with the requirements
of section 505 of the Food, Drug, and Cosmetic Act (21
U.S.C. 355) for use in humans. Moneys received from the
sale of Pacific yew are hereby appropriated and made
available until expended by the Forest Service to fund the
costs associated with the harvest of Pacific yew.

Notwithstanding any other provision of law, the For-
est Service shall establish an office in Ohio for the purpose
of representing and administering the Wayne National
Forest on a forest-wide basis.
The Forest Service may offer for sale salvageable
timber in Region 6 in fiscal year 1992. Provided, That
for forests known to contain the Northern spotted owl,
such salvage sales may be offered as long as the offering
of such sale will not render the area unsuitable as habitat
for the Northern spotted owl.

Timber salvage activity in spotted owl habitat is to
be done in full compliance with existing environmental and
forest management laws.

Pursuant to section 405(a) and (b), and section
410(a) and (b) of Public Law 101–593, funds up to
$500,000 for start-up expenses and $537,000 for match-
ing funds shall be available to establish a National Forest
Foundation. Funding shall be limited to $78,000 from
Forest Research, $90,000 from State and Private For-
ery, $638,000 from National Forest System, $90,000
from Forest Service Fire Protection, and $141,000 from
Construction.

As a pilot effort, for the purpose of achieving eco-
logically defensible management practices, the Kaibab,
Dixie, Coconino and Tonto National Forests are authorized
to apply the value or a reasonable portion of the value of
timber removed under a stewardship end result contract as
an offset against the cost of stewardship services received
including, but not limited to, site preparation, replanting,
silviculture programs, recreation, wildlife habitat enhance-
ment, and other multiple-use enhancements on selected
projects. Timber removed shall count toward meeting the
Congressional expectations for the annual timber harvest.
The tract value of the timber removed shall be considered
as money received for purposes of computing 25 per centum
payments to local governments under 16 U.S.C. 500. Such
payments shall be made directly to the local government
by the contractor. The amount and timing of the payment
shall be specified in the contract by the Forest Service.

Hereafter, funds appropriated to the Department of
Agriculture, Forest Service may be used to pay transpor-
tation, lodging, and subsistence expenses of employees who
assist scientific, professional, or technical employees and
who are bona fide students of accredited colleges or univer-
sities who are pursuing courses related to the field in which
employed.

DEPARTMENT OF ENERGY
FOSSIL ENERGY RESEARCH AND DEVELOPMENT
(INCLUDING TRANSFER OF FUNDS)
For necessary expenses in carrying out fossil energy
research and development activities, under the authority
of the Department of Energy Organization Act (Public
1. Law 95–91), including the acquisition of interest, including defendable and equitable interests in any real property
2. or any facility or for plant or facility acquisition or expansion, $412,597,000 to remain available until
3. expended, of which $3,100,000 is available for the fuels program and $600,000 to be derived by transfer from previously appropriated and unobligated balances in the “Fossil Energy Construction” account: Provided, That no
4. part of the sum herein made available shall be used for the field testing of nuclear explosives in the recovery of oil and gas: Provided further, That section 303 of Public
5. Law 97–257 is further amended by changing the number for the Pittsburgh Energy Technology Center to “285”, changing the number for the Morgantown Energy Technology Center to “270”, and inserting at the end of enumeration (2) “and not less than 27 employees shall be as-
6. signed to the Bartlesville Project Office;”, inserting as enumeration (3) “Not less than 170 employees shall be as-
7. signed to the Office of the Strategic Petroleum Reserve;” and inserting as enumeration (4) “Not less than 91 employees shall be assigned to the Office of the Naval Petroleum Reserves”.
8. Of the funds provided herein, $2,000,000 shall be available for a grant for the National Research Center for Coal and Energy.
Of the funds herein provided, $32,800,000
$29,000,000 is for implementation of the June 1984
multiyear, cost-shared magnetohydrodynamics program
targeted on proof-of-concept testing: Provided, That 35
per centum private sector cash or in-kind contributions
shall be required for obligations in fiscal year 1993: Pro-
vided further, That existing facilities, equipment, and sup-
plies, or previously expended research or development
funds are not cost-sharing for the purposes of this appro-
priation, except as amortized, depreciated, or expended in
normal business practice: Provided further, That cost-
sharing shall not be required for the costs of constructing
or operating Government-owned facilities or for the costs
of Government organizations, National Laboratories, or
universities and such costs shall not be used in calculating
the required percentage for private sector contributions:
Provided further, That private sector contribution percent-
ages need not be met on each contract but must be met
in total for each fiscal year.

ALTERNATIVE FUELS PRODUCTION
(INCLUDING TRANSFER OF FUNDS)

Monies received as investment income on the prin-
cipal amount in the Great Plains Project Trust at the
Norwest Bank of North Dakota, in such sums as are
earned as of October 1, 1992, shall be deposited in this
account and immediately transferred to the General Fund of the Treasury. Monies received as revenue sharing from the operation of the Great Plains Gasification Plant shall be immediately transferred to the General Fund of the Treasury.

NAVAL PETROLEUM AND OIL SHALE RESERVES

For necessary expenses in carrying out naval petroleum and oil shale reserve activities, $238,094,000, to remain available until expended: Provided, That notwithstanding any other provision of law, revenues received from use and operation of the Naval Petroleum Reserves Numbered 1, 2, and 3 and the Naval Oil Shale Reserves and estimated to total $525,853,000 for fiscal year 1993 shall be retained and used for the specific purpose of offsetting costs incurred by the Department in carrying out naval petroleum and oil shale reserve activities: Provided further, That the sum herein appropriated shall be reduced as such revenues are received so as to result in a final fiscal year 1993 appropriation estimated at not more than $0.

ENERGY CONSERVATION

For necessary expenses in carrying out energy conservation activities, $591,859,000 $571,288,000, to remain available until expended, including, notwithstanding any other provision of law, the excess amount for fiscal year
1993 determined under the provisions of section 3003(d) of Public Law 99–509 (15 U.S.C. 4502): Provided, That $240,365,000 $220,150,000 shall be for use in energy conservation programs as defined in section 3008(3) of Public Law 99–509 (15 U.S.C. 4507) and shall not be available until excess amounts are determined under the provisions of section 3003(d) of Public Law 99–509 (15 U.S.C. 4502): Provided further, That notwithstanding section 3003(d)(2) of Public Law 99–509 such sums shall be allocated to the eligible programs in the same proportion for each program as in fiscal year 1992: Provided further, That $2,000,000 $1,000,000 of the amount under this heading shall be for metal casting research consistent with the provisions of Public Law 101–425: Provided further, That $18,091,000 $17,991,000 of the amount provided under this heading shall be available for continuing research and development efforts begun under title II of the Interior and Related Agencies portion of the joint resolution entitled “Joint Resolution making further continuing appropriations for the fiscal year 1986, and for other purposes”, approved December 19, 1985 (Public Law 99–190), and implementation of steel and aluminum research authorized by Public Law 100–680: Provided further, That existing facilities, equipment, and supplies, or previously expended research or development funds are not accepted
as contributions for the purposes of this appropriation, ex-
cept as amortized, depreciated, or expensed in normal
business practice: Provided further, That the total Federal
expenditure under this proviso shall be repaid up to one
and one-half times from the proceeds of the commercial
sale, lease, manufacture, or use of technologies developed
under this proviso, at a rate of one-fourth of all net pro-
ceeds: Provided further, That up to $28,700,000
$28,700,000 of the amount provided under this head is for
electric and hybrid vehicle battery research to be con-
ducted on a cooperative basis with non-Federal entities,
such amounts to be available only as matched on an equal
basis by such entities: Provided further, That the Depart-
ment of Energy, for a period of up to five years after the
completion of individual projects may provide appropriate
protections, including exemptions from subchapter II of
chapter 5 of title 5, United States Code, against the dis-
semination of information that results from activities con-
ducted by the United States Advanced Battery Consor-
tium or its contractors, or participants in the hybrid vehi-
cle propulsion development program and their contractors
and that would be a trade secret on commercial or finan-
cial information that is privileged or confidential if the in-
formation had been obtained from and first produced by
a non-Federal party participating in the United States Ad-
vaned Battery Consortium or in the hybrid vehicle propulsion development program.

ECONOMIC REGULATION

For necessary expenses in carrying out the activities of the Economic Regulatory Administration and the Office of Hearings and Appeals, $14,565,000, to remain available until expended.

EMERGENCY PREPAREDNESS

For necessary expenses in carrying out emergency preparedness activities, $9,247,000, to remain available until expended.

STRATEGIC PETROLEUM RESERVE

(INCLUDING TRANSFER OF FUNDS)

For necessary expenses for Strategic Petroleum Reserve facility development and operations and program management activities pursuant to the Energy Policy and Conservation Act of 1975, as amended (42 U.S.C. 6201 et seq.), $176,600,000, to remain available until expended, including $125,625,000 to be derived by transfer from funds deposited in the "SPR petroleum account" as a result of the Desert Storm sale of the Strategic Petroleum Reserve, as authorized under 42 U.S.C. 6241: Provided, That appropriations herein made shall not be available for leasing of facilities for the storage of crude oil for the Strategic Petroleum Reserve unless the quantity of oil
stored in or deliverable to Government-owned storage fa-

cilities by virtue of contractual obligations is equal to

700,000,000 barrels.

SPR PETROLEUM ACCOUNT

Notwithstanding 42 U.S.C. 6240(d) the United States share of crude oil in Naval Petroleum Reserve Numbered 1 (Elk Hills) may be sold or otherwise disposed of to other than the Strategic Petroleum Reserve: Provided, That no funds available in fiscal year 1993 in this, or any previous or subsequent appropriations Act, or made available in this account pursuant to 42 U.S.C. 6247(b) as a result of any drawdown and distribution of the Reserve under the provisions of 42 U.S.C. 6241 may be used in fiscal year 1993 for leasing, exchanging, or otherwise acquiring other than by direct purchase crude oil from a foreign government, a foreign State-owned oil company, or an agent of either except pursuant to the procedures of section 174, part C, title I of the Energy Policy and Conservation Act (42 U.S.C. 6211 et seq.); as contained in section 6 of Public Law 101–383: Provided, That the Secretary of Energy may contract, without regard to 42 U.S.C. 6249(b)(2)(B) and 6244b: Provided further, That restrictions on leasing, exchanging, or otherwise acquiring except by direct purchase crude oil from a foreign government, a foreign sale-owned oil company, or an agent of either
which are contained under the SPR Petroleum heading in Public Law 101-512 shall not apply for fiscal year 1993: Provided further, That the requirements of 42 U.S.C. 6240 (d) and (g) shall not apply in fiscal year 1993: Provided further, That outlays in fiscal year 1993 resulting from the use of funds in this account shall not exceed $145,000,000 $137,000,000.

ENERGY INFORMATION ADMINISTRATION

(INCLUDING TRANSFER OF FUNDS)

For necessary expenses in carrying out the activities of the Energy Information Administration, $82,427,000 $82,627,000, to remain available until expended, of which $44,000,000 $49,000,000 shall be derived from available unobligated balances in the Biomass Energy Development account: Provided, That any of the funds remaining in the Biomass Energy Development account shall be available to the Department of Energy for administering the alcohol fuels loan guarantee program.

ADMINISTRATIVE PROVISIONS, DEPARTMENT OF ENERGY

Appropriations under this Act for the current fiscal year shall be available for hire of passenger motor vehicles; hire, maintenance, and operation of aircraft; purchase, repair, and cleaning of uniforms; and reimbursement to the General Services Administration for security guard services.
From appropriations under this Act, transfers of sums may be made to other agencies of the Government for the performance of work for which the appropriation is made.

None of the funds made available to the Department of Energy under this Act shall be used to implement or finance authorized price support or loan guarantee programs unless specific provision is made for such programs in an appropriations Act.

The Secretary is authorized to accept lands, buildings, equipment, and other contributions from public and private sources and to prosecute projects in cooperation with other agencies, Federal, State, private, or foreign: Provided, That revenues and other moneys received by or for the account of the Department of Energy or otherwise generated by sale of products in connection with projects of the Department appropriated under this Act may be retained by the Secretary of Energy, to be available until expended, and used only for plant construction, operation, costs, and payments to cost-sharing entities as provided in appropriate cost-sharing contracts or agreements: Provided further, That the remainder of revenues after the making of such payments shall be covered into the Treasury as miscellaneous receipts: Provided further, That any contract, agreement, or provision thereof entered into by
the Secretary pursuant to this authority shall not be ex-
ecuted prior to the expiration of 30 calendar days (not in-
cluding any day in which either House of Congress is not
in session because of adjournment of more than three cal-
endar days to a day certain) from the receipt by the
Speaker of the House of Representatives and the Presi-
dent of the Senate of a full comprehensive report on such
project, including the facts and circumstances relied upon
in support of the proposed project.

The Secretary of Energy may transfer to the Emer-
gency Preparedness appropriation such funds as are nec-
essary to meet any unforeseen emergency needs from any
funds available to the Department of Energy from this
Act.

Notwithstanding any other provision of law, the Sec-
retary of Energy may enter into a contract, agreement,
or arrangement, including, but not limited to, a Manage-
ment and Operating Contract as defined in the Federal
Acquisition Regulations (17.601), with a profit-making or
non-profit entity to conduct activities at the Department
of Energy's research facilities at Bartlesville, Oklahoma.

No funds provided in this Act may be expended by
the Department of Energy to prepare, issue, or process
procurement documents for programs or projects for
which appropriations have not been made.

Appropriations in this Act to the Indian Health Service shall be available for services as authorized by 5 U.S.C. 3109 but at rates not to exceed the per diem rate equivalent to the maximum rate payable for senior-level positions under 5 U.S.C. 5376, and for uniforms or allowances therefor as authorized by law (5 U.S.C. 5901–5902), and for expenses of attendance at meetings which are concerned with the functions or activities for which the appropriation is made or which will contribute to improved conduct, supervision, or management of those functions or activities: Provided, That in accordance with the provisions of the Indian Health Care Improvement Act, non-Indian patients may be extended health care at all tribally administered or Indian Health Service facilities, subject to charges, and the proceeds along with funds recovered under the Federal Medical Care Recovery Act (42 U.S.C. 2651–53) shall be credited to the account of the facility providing the service and shall be available without fiscal year limitation: Provided further, That funds appropriated to the Indian Health Service in this Act, except those used for administrative and program direction purposes, shall not be subject to limitations directed at curtailing Federal travel and transportation: Provided further, That with the exception of Indian Health Service units which currently
have a billing policy, the Indian Health Service shall not
initiate any further action to bill Indians in order to collect
from third-party payers nor to charge those Indians who
may have the economic means to pay unless and until such
time as Congress has agreed upon a specific policy to do
so and has directed the Indian Health Service to imple-
ment such a policy: Provided further, That personnel ceil-
ings may not be imposed on the Indian Health Service
nor may any action be taken to reduce the full-time equiv-
alent level of the Indian Health Service by the elimination
of temporary employees by reduction in force, hiring freeze
or any other means without the review and approval of
the Committees on Appropriations: Provided further, That
none of the funds made available to the Indian Health
Service in this Act shall be used to implement the final
rule published in the Federal Register on September 16,
1987, by the Department of Health and Human Services,
relating to eligibility for the health care services of the
Indian Health Service until the Indian Health Service has
submitted a budget request reflecting the increased costs
associated with the proposed final rule, and such request
has been included in an appropriations Act and enacted
into law: Provided further, That funds made available in
this Act are to be apportioned to the Indian Health Serv-
ice as appropriated in this Act, and accounted for in the
appropriation structure set forth in this Act: Provided fur-
ther, That the appropriation structure for the Indian
Health Service may not be altered without the advance
approval of the House and Senate Committees on Appro-
priations.

TITLE III—GENERAL PROVISIONS

SEC. 301. The expenditure of any appropriation under this Act for any consulting service through procurement contract, pursuant to 5 U.S.C. 3109, shall be limited to those contracts where such expenditures are a matter of public record and available for public inspection, except where otherwise provided under existing law, or under existing Executive order issued pursuant to existing law.

SEC. 302. No part of any appropriation under this Act shall be available to the Secretary of the Interior or the Secretary of Agriculture for the leasing of oil and natural gas by noncompetitive bidding on publicly owned lands within the boundaries of the Shawnee National Forest, Illinois: Provided, That nothing herein is intended to inhibit or otherwise affect the sale, lease, or right to access to minerals owned by private individuals.

SEC. 303. No part of any appropriation contained in this Act shall be available for any activity or the publication or distribution of literature that in any way tends to promote public support or opposition to any legislative proposal on which congressional action is not complete.

SEC. 304. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.
SEC. 305. None of the funds provided in this Act to any department or agency shall be obligated or expended to provide a personal cook, chauffeur, or other personal servants to any officer or employee of such department or agency except as otherwise provided by law.

SEC. 306. None of the funds provided in this Act shall be used to evaluate, consider, process, or award oil, gas, or geothermal leases on Federal lands in the Mount Baker-Snoqualmie National Forest, State of Washington, within the hydrographic boundaries of the Cedar River municipal watershed upstream of river mile 21.6, the Green River municipal watershed upstream of river mile 61.0, the North Fork of the Tolt River proposed municipal watershed upstream of river mile 11.7, and the South Fork Tolt River municipal watershed upstream of river mile 8.4.

SEC. 307. No assessments may be levied against any program, budget activity, subactivity, or project funded by this Act unless notice of such assessments and the basis therefor are presented to the Committees on Appropriations and are approved by such Committees.

SEC. 308. Employment funded by this Act shall not be subject to any personnel ceiling or other personnel restriction for permanent or other than permanent employment except as provided by law.
SEC. 309. None of the funds provided by this Act
to the United States Fish and Wildlife Service may be ob-
ligated or expended to plan for, conduct, or supervise deer
hunting on the Loxahatchee National Wildlife Refuge.

SEC. 310. None of the funds in this Act may be used
to plan, prepare, or offer for sale timber from trees classi-
fied as giant sequoia (sequoiadendron giganteum) which
are located on National Forest System or Bureau of Land
Management lands until an environmental assessment has
been completed and the giant sequoia management imple-
mentation plan is approved. In any event, timber harvest
within the identified groves will be done only to enhance
and perpetuate giant sequoia. There will be no harvesting
of giant sequoia specimen trees. Removal of hazard, insect,
disease and fire killed giant sequoia other than specimen
trees is permitted.

SEC. 311. None of the funds appropriated by this Act
may be used to ensure that hardwood saw timber har-
vested from Federal lands east of the 100th meridian is
marked in such a manner as to make it readily identifi
able at all times before its manufacture.

SEC. 312. Section 401 of the Federal Land Policy
and Management Act of 1976 (43 U.S.C. 1751), is hereby
amended by adding at the end the following new sub-
sections:
(e)(1) Notwithstanding any other provision of law, the Secretary of Agriculture, with respect to National Forest lands in the 16 contiguous western states (except National Grasslands) administered by the United States Forest Service where domestic livestock grazing is permitted under applicable law, and the Secretary of the Interior with respect to public domain lands administered by the Bureau of Land Management where domestic livestock grazing is permitted under applicable law, shall establish beginning with the grazing season which commences on March 1, 1993, an annual domestic livestock grazing fee equal to fair market value: Provided, That the fee charged for any given year shall not increase nor decrease by more than 33 1/3 percent from the previous year's grazing fee.

(2)(A) For purposes of this subsection, the term 'fair market value' is defined as follows:

\[
\text{Fair Market Value} = \frac{\text{Appraised Base Value} \times \text{Forage Value Index}}{100}
\]

(B) For the purposes of subparagraph (A)—

(i) the term 'Forage Value Index' means the Forage Value Index (FVI) computed annually by the Economic Research Service, United States Department of Agriculture, and set with the 1992 FVI equal to 100; and
"(ii) the term ‘Appraised Base Value’ means the 1983 Appraisal Value conclusions for mature cattle and horses (expressed in dollars per head or pair month), as determined in the 1986 report prepared jointly by the Secretary of Agriculture and the Secretary of the Interior entitled ‘Grazing Fee Review and Evaluation’, dated February 1986, on a westwide basis using the lowest appraised value of the pricing areas adjusted for advanced payment and indexed to 1992.

"(d) The grazing advisory boards established pursuant to Secretarial action, notice of which was published in the Federal Register on May 14, 1986 (51 Fed. Reg. 17874), are hereby abolished, and the advisory functions exercised by such boards; shall, after the date of enactment of this sentence, be exercised only by the appropriate councils established under this section.

"(c) Funds appropriated pursuant to section 5 of the Public Rangelands Improvement Act of 1978 (43 U.S.C. 1904) or any other provision of law related to disposition of the Federal share of receipts from fees for grazing on public domain lands or National Forest lands in the 16
contiguous western States shall be used for restoration
and enhancement of fish and wildlife habitat; for res-
toration and improved management of riparian areas; and
for implementation and enforcement of applicable land
management plans, allotment plans, and regulations re-
garding the use of such lands for domestic livestock graz-
ing. Such funds shall be distributed as the Secretary con-
cerned deems advisable after consultation and coordina-
tion with the advisory councils established pursuant to sec-
tion 309 of this Act and other interested parties.”.

Sec. 312. Such sums as may be necessary for Federal
employee pay raises for programs funded by this Act or sub-
sequent Interior and Related Agencies Appropriations Acts
hereafter shall be absorbed within the levels appropriated
in such Acts.

Sec. 313. Notwithstanding any other provision of
law, the Secretary of the Interior shall transfer to the De-
partment of Health and Human Services the Pine Hill
School Health Center in Pine Hill, New Mexico for Indian
health purposes, and compensation for such transfer is
waived.

Sec. 314. None of the funds provided in this Act may
be expended by the Forest Service or the Bureau of Land
Management to increase fees charged for communication
site use of lands administered by the Forest Service or
1 Bureau of Land Management by more than 15 per centum
2 per user in fiscal year 1993 over the levels in effect on
3 January 1, 1989.
4 
5 SEC. 315. Notwithstanding any other provision of
6 law, payments to States pursuant to 16 U.S.C. 500 for
7 National Forests affected by decisions relating to the
8 Northern Spotted Owl from fiscal year 1993 receipts shall
9 not be less than 85 per centum of the average annual pay-
10 ments to States, based on receipts collected on those Na-
11 tional Forests during the five-year baseline period of fiscal
12 years 1986 through 1990: Provided, That in no event shall
13 these payments exceed the total amount of receipts col-
14 lected from the affected National Forests during fiscal
15 year 1993.
16 
17 SEC. 316. Funds appropriated to the Forest Service
18 shall be available for interactions with and providing tech-
19 nical assistance to rural communities for sustainable rural
20 development outside the boundaries of National Forest

SEC. 321. BUY AMERICAN REQUIREMENTS.

(a) COMPLIANCE WITH BUY AMERICAN ACT.—No funds appropriated or transferred pursuant to this Act may be expended by an entity unless the entity agrees that in expending the assistance the entity will comply with sections 2 through 4 of the Act of March 2, 1933 (41 U.S.C. 10a–10c; popularly known as the "Buy American Act").

(b) PURCHASE OF AMERICAN-MADE EQUIPMENT AND PRODUCTS.—

(1) IN GENERAL.—In the case of any equipment or product that may be authorized to be purchased with financial assistance provided under this Act, it is the sense of the Congress that entities receiving the assistance should, in expending the as-
sistance, purchase only American-made equipment and products.

(2) NOTICE TO RECIPIENTS OF ASSISTANCE.—

In providing financial assistance under this Act, the Secretary shall provide to each recipient of the assistance a notice describing the statement made in paragraph (1) by the Congress.

SEC. 322. None of the funds made available in this Act may be used to record or process any claimed rights-of-way under section 2477 of the Revised Statutes (43 U.S.C. 932).

This Act may be cited as the "Department of the Interior and Related Agencies Appropriations Act, 1993".
