(2) Each increase in a pay rate or schedule which takes effect pursuant to paragraph (1) shall, to the maximum extent practicable, be of the same percentage, and shall take effect as of the first day of the first applicable pay period commencing on or after January 1, 1990.

(b)(1) Notwithstanding any other provision of this Act or any other law, no adjustment in rates of pay under section 5305 of title 5, United States Code, which becomes effective
on or after October 1, 1989, and before October 1, 1990, shall have the effect of increasing the rate of salary or basic pay for any office or position in the legislative, executive, or judicial branch or in the government of the District of Columbia—

(A) if the rate of salary or basic pay payable for that office or position as of September 30, 1989, was equal to or greater than the rate of basic pay described in paragraph (3); or

(B) to a rate exceeding the rate of basic pay described in paragraph (3) if, as of September 30, 1989, the rate of salary or basic pay payable for that office or position was less than the rate described in such paragraph.

(2) For purposes of paragraph (1), the rate of salary or basic pay payable as of September 30, 1989, for any office or position which was not in existence on such date shall be deemed to be the rate of salary or basic pay payable to individuals in comparable offices or positions on such date, as determined under regulations prescribed—

(A) by the President, in the case of any office or position within the executive branch or in the government of the District of Columbia;

(B) jointly by the Speaker of the House of Representa-
Senate, in the case of any office or position within the legislative branch; or
(C) by the Chief Justice of the United States, in the case of any office or position within the judicial branch.

(3) The rate of basic pay described in this paragraph is the rate equal to the rate of basic pay payable for level III of the Executive Schedule under section 5314 of title 5, United States Code, as of September 30, 1989, increased by 3.6 percent.

(197) (e) It is the sense of the Congress that funding for any pay increase under this section should not be provided in a way that would be disruptive to the Federal workforce (such as if it would result in any involuntary separations or other adverse personnel actions) or compromise the quality or diminish the range of services provided by the Government.

Sec. (198) 629 617. Notwithstanding any other provision of law, no executive branch agency shall purchase, construct, and/or lease any additional facilities, except within or contiguous to existing locations to be used for the purpose of conducting Federal law enforcement training without the advance approval of the House and Senate Committees on Appropriations.
Sec. (199) 624 618. None of the funds appropriated by this or any other Act may be expended by any Federal agency to procure any product or service that is subject to the provisions of Public Law 89–306 and that will be available under the procurement by the Administrator of General Services known as "FTS2000" unless—

(1) such product or service is procured by the Administrator of General Services as part of the procurement known as "FTS2000"; or

(2) that agency establishes to the satisfaction of the Administrator of General Services that—

(A) the agency's requirements for such procurement are unique and cannot be satisfied by property and service procured by the Administrator of General Services as part of the procurement known as "FTS2000"; and

(B) the agency procurement, pursuant to such delegation, would be cost-effective and would not adversely affect the cost-effectiveness of the FTS2000 procurement.

Sec. (200) 622 619. (a) No department, agency, or instrumentality of the United States receiving appropriated funds under this Act for fiscal year 1990, or under any other Act appropriating funds for fiscal year 1990, shall obligate or expend any such funds, unless such department, agency, or
instrumentality has in place, and will continue to administer in good faith, a written policy designed to ensure that all of its workplaces are free from the illegal use, possession, or distribution of controlled substances (as defined in the Controlled Substances Act) by the officers and employees of such department, agency, or instrumentality.

(b) No funds so appropriated to any such department, agency, or instrumentality shall be available for payment in connection with any grant, contract, or other agreement, unless the recipient of such grant, contract or party to such agreement, as the case may be, has in place and will continue to administer in good faith a written policy, adopted by such recipient, contractor, or party's board of directors or other governing authority, satisfactory to the head of the department, agency, or instrumentality making such payments, designed to ensure that all of the workplaces of such recipient, contractor, or party are free from the illegal use, possession, or distribution of controlled substances (as defined in the Controlled Substances Act) by the officers and employees of such recipient, contractor, or party.

(201) Sec. 620. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal money, all grantees receiving Federal funds, including but not limited to State and local govern-
ments, shall clearly state (1) the percentage of the total cost of
the program or project which will be financed with Federal
money, and (2) the dollar amount of Federal funds for the
project or program.

(202) Sec. 621. Notwithstanding section 1346 of title
31, United States Code, or section 608 of Public Law 100–
440, funds made available for fiscal year 1990 by this or any
other Act shall be available for the interagency funding of
national security and emergency preparedness telecommuni-
cations initiatives which benefit multiple Federal depart-
ments, agencies, or entities, as provided by Executive Order

(203) Sec. 622. (a) Section 3392 of title 5, United
States Code, is amended by adding at the end thereof the
following new subsection:

"(e)(1) The Senior Executive Service shall be a service
in which rank and rate of pay are based on the performance
of an individual and not on the position in which such indi-
vidual is employed.

"(2) The Office of Personnel Management, or any de-
partment or agency may not prescribe or enforce any regula-
tion that—

"(A) sets qualification or classification standards
for admission or service in the Senior Executive Serv-
ice which is not based on the requirement of paragraph 
(1); or

“(B) violates the requirement of paragraph (1) re-
lying to the status of any career appointee in the 
Senior Executive Service.”.

(b) Section 5383 of title 5, United States Code, is 
amended by adding at the end thereof the following new sub-
sections:

“(e)(1) If a career appointee in the Senior Executive 
Service is reassigned or transferred under section 3395, or 
accepts an assignment under sections 3372 and 3373, such 
appointee shall retain his rank and rate of pay regardless of 
the designation of rate of pay and rank of the position to 
which the appointee is transferred or assigned.

“(2) If any agency coerces or requires a career 
appointee to accept a position described under para-
graph (1) at a lower rate of pay or rank, such employ-
ee may file a complaint with the Merit Systems Pro-
tection Board, Office of Special Counsel as a prohibit-
ed personnel practice.

“(f) The rate of pay of a career appointee in the Senior 
Executive Service may not be reduced, unless such reduction 
is based on the poor performance or misconduct of such ap-
pointee.”.
(c) Section 5384(c) of title 5, United States Code, is amended by adding at the end thereof the following: "In the case of performance awards paid by any agency under this section to career appointees, any such award shall be based on recommendations by a performance review board with a membership that consists of more than one-half career appointees."

(d)(1) Chapter 57 of title 5, United States Code, is amended by inserting after section 5724c the following new section:

"§ 5724d. Relocation bonuses for career appointees

"Subject to regulation to the Office of Personnel Management, an agency may pay a relocation bonus of an amount no less than 15 percent and no greater than 25 percent of the annual compensation based on the basic rate of pay of a career appointee in the Senior Executive Service to such an appointee, if the agency determines that a bonus is appropriate to attract highly qualified career appointees for a position located in an area which is geographically undesirable because of local cost-of-living factors."

(2) The table of sections for chapter 57 of title 5, United States Code, is amended by inserting after the item relating to section 5724c the following:

"5724d. Relocation bonuses for career appointees."
