Hi Scott,

You have authorization to use your chapter. Please send me a copy of the pdf you create so I can upload it on your ISLAPEDIA page!

Thank you!

I wrote a chapter on insects in your 1996 anthology on Santa Rosa Island history. The volume is copyright by SCIF.

Can you please give me authorization to include a pdf of my chapter (only) in the Smithsonian staff digital repository and to make it available online as a staff publication?

Thanks, Scott
