

SEMINAR NEWS

On Tuesday, March 1st at 12 noon, MARY HAGEDORN, Scripps Institute of Oceanography, will give a seminar at Ancon on:

Social communication in electric fish

On Thursday, March 3rd at 12 noon in the Naos Conference Room, NELSON MARSHALL, from the University of Rhode Island, will give an informal seminar on:

Fisheries potential on coral reefs (an informal discussion on the topic)

ARRIVALS & DEPARTURES

FEBRUARY 25 - Arriving, MONTY LLOYD, University of Chicago, to serve as a consultant on the aquaculture part of the Alternatives to Destruction project. He will be at STRI for 2 weeks.

FEBRUARY 27 - Arriving, Doctor DALE BULTMAN, with Doctors GRIFFITH AND STRASBURG, from the Naval Research Laboratory in Washington, D.C. to terminate their project on wood biodeterioration. They will be staying at Naos for 10 days.

Leaving, IRA RUBINOFF for the U.S. on official business. Dr. Rubinoff will be going to the Smithsonian in Washington, D.C., and to the University of Delaware to give a seminar, and is expected back at STRI March 14.

MARCH 1st - Arriving, a crew from SMITHSONIAN WORLD to make a film on the howler monkeys of BCI. KATHARINE MILTON will also be arriving to serve as the scientific advisor of this film. They will be on BCI for 9 days.

MARCH 3 - Arriving, NELSON MARSHALL, for a four-day visit of STRI marine facilities. Dr. Marshall, who is on a sabbatical year from the University of Rhode Island, will also be giving an informal seminar (see SEMINAR NEWS).

MARCH 4 - Leaving HENK WOLDA for the U.S. He will be consulting with colleagues at Ohio State University.

NEW BOOK ON BCI

An advance copy of THE ECOLOGY OF A TROPICAL FOREST: SEASONAL RHYTHMS AND LONG-TERM CHANGES, a book on the ecology of Barro Colorado Island edited by EGBERT LEIGH, STANLEY RAND, and DONALD WINDSOR, reached the Tivoli Tuesday, February 22. A good many people now or previously associated with STRI have papers in this book, that is the result of many years of efforts. It is not known when other copies will arrive.

NOTES OF INTEREST

Among the feature articles of the Nov/Dec. 1982 issue of THE ECOLOGIST we find "Tropical Forests: Can we afford not to give them a Future" by IRA RUBINOFF.

At the 105th Annual Meeting of the LINNAEAN SOCIETY OF NEW YORK on March 7th, the First Award of the EUGENE EISENMANN MEDAL will be made to Dr. ERNST MAYR.

FOR SALE

1974 FIAT, Berlin 127, AM-FM radio and tape deck. Good condition. \$1,800. Call 60-0962.

FOR YOUR INFORMATION

Our Barbara on BCI is now Mrs. BARBARA KUSATTI. Barbara and Tomas Kusatti were married in Colon on Friday, February 18. Congratulations.
