AVOID SURPRISE EXPIRATION OF DOCUMENTS

We would like to remind you to check periodically the expiration dates on your official documents, i.e., passport, special residency permit, paz y salvo, driver's license, etc. Please begin making arrangements for new special residency permit at least one month before current permit expires.

UPDATE: TUPPER LAB BUILDING

Plans are proceeding on the design of the new Earl S. Tupper Research and Conference Center. Copies of the plan are being distributed to the STRI staff, and additional copies are available in the Director's Office. A meeting will be held at 9 a.m. on Tuesday, April 16 in the Ancon Conference Room to discuss the plans and consider suggestions for changes. The architect will be present to answer questions.
