

SEMINAR NEWS

At noon on Tuesday, May 7, ANDY YOUNG, Harvard University, will present two wildlife films in the Ancon Conference Room.

"Cry of the Muriqui" (Brazil)
"Amazonia" (Peru)

We will not have a noon seminar Tuesday, May 14 since the SYSTAT workshop is scheduled for this date. We anticipate that Dr. Madhav Gadgil will give an afternoon or evening seminar during the week of May 12-May 17. Check bulletin boards for announcement.

ARRIVALS & DEPARTURESWeek of May 4 - 10:

May 5 - Arriving Dr. MARINUS SOMMEIJER, University of Utrecht, to study behavior and ecology of stingless bees with D. Roubik. He will be here until July 5.

May 5 - Leaving, GEORGINA DE ALBA, for one week, to give a presentation on STRI programs at meeting of the SI Internship Council, and other business at the SI and New York.

May 6 - Arriving, HAL BLACK, Brigham Young University with students from his tropical ecology course. They will be in Gamboa until May 26.

May 8 - Leaving, JIM KARR, to Champaign, Illinois, for business at the University of Illinois, and then on to D.C. for business at the Environmental Protection Agency. He will return to STRI on May 19.

Week of May 11 - 17:

May 11 - Arriving, JON YELLIN, SI for a one week official visit.

May 12 - Arriving, MADHAV GADGIL, Indian Institute of Sciences, for a short visit with colleagues at STRI.

May 12 - Arriving, DAVID DANCE, Smithsonian Office of Information Resources Management, for SYSTAT Workshop (see next column) and consultation with staff at the different facilities.

May 12 - Leaving, ROSS ROBERTSON for Tahiti, Bora Bora and Moorea in French Polynesia, to look at sites for possible research, and to present a paper at the 5th International Congress on Coral Reefs. He will return around mid-June.

May 13 - Arriving, JOSEPH EWAN, Regents Fellow at the Smithsonian's National Museum of Natural History, for a brief visit of STRI facilities. He will be accompanied by Ms. Ewan.

ARRIVALS (cont.)

May 14 - Returning, ALAN SMITH, STRI.

May 15 - Arriving, DAVID HAMILL, Univ. of Iowa, to continue research on BCI, until June 15.

May 17 - Arriving, CAROL AUGSPURGER, and assistant, K. KITAJIMA, University of Illinois, to continue research on BCI, until August 15.

IMPORTANT

In order to carry out research or collect in the Fortuna Reserve, in Chiriquf, scientists must request special permission from Dr. Alcides Salas, Chief of the Department of Watersheds, I.R.H.E. A copy of the appropriate RENARE permit must be included with this request. Please see Maria Morello if you have any questions on the proper procedure to work/collect in Fortuna.

SYSTAT WORKSHOP

SYSTAT is a statistical program package for use in the IBM personal computers. On Tuesday, May 14, DAVE DANCE will give a hands-on demonstration and explain the use of the newest version of SYSTAT in the Ancon Conference Room. For further information about the workshop, call J. CHRISTY at Naos, 52-5840.

NOTE: There will not be a scientific staff meeting on Tuesday, May 14.

INFORMATION REQUESTED

Did anyone see who ran into the left back fender of O. Linares car (Honda Accord, white) parked up the hill on seminar day, Tuesday, April 30th? Dr. Linares would appreciate any information you can relay.

FOR SALE

Executive desk (34" x 69") with glass top \$100; typewriter table \$35; ATARI with 4 game cartridges \$40; GE Dryer \$50; and much more. Call Kerry Dressler 69-2779.

WEDDING BELLS

CARLOS BRANDARIS and DENIA JUSTINIANI will be married on May 4th. FELICITACIONES.
