BCI NEWS

-As announced, the launch will continue to go to Gamboa to transport persons to/from BCI until September 30. The launch service schedule is posted in the back of the NEWSLETTER. This same schedule will apply whenever the train service fails.

After September 30, we will resume regular launch service from Frijoles, or will advise accordingly.

-The scheduled electrical power outage will be after October 15. The exact dates will be announced as soon as possible.

LIBRARY NEWS

To library users who have received Panafax copy:

The material is printed on thermal paper, which has a short life, if exposed to light. If you want to keep the material indefinitely, place the reprint in a folder. Another alternative is to xerox the copy received.

See listing of new books on the back.

FOR SALE

12 ft. sailboat (needs work), and an exercise machine. Call Ramon Ely at 26-2161.

NEW MAGAZINE FROM SMITHSONIAN

The Smithsonian Institution will begin publication of a new magazine AIR & SPACE, which will be modeled after the Smithsonian Magazine. The new magazine will be aimed at the general reader and its first issue will be published in April 1986.

ASSISTANT AVAILABLE

CHRISTOPHER PAYNE (British) will be in Panama until the end of the year, and would like to assist a STRI researcher in the mornings. Mr. Payne has a master's degree in geography from the University of California, Davis. He can be reached at 26-5823.
