

CONGRATULATIONS/FELICITACIONES

Today is the last day for OTILIA PEREZ on-the-job. We wish her a restful and fun retirement.

Hoy es el último día de trabajo de OTILIA PEREZ. Le deseamos una jubilación descansada y, a la vez, divertida.

LIBRARY NEWS

ANGEL AGUIRRE will be on administrative leave from January 16 through January 30, 1987 visiting the Smithsonian Libraries in Washington, DC for intensive training in OCLC, DIALOG and SI Libraries in general. He will return on February 10.

ROBERTO SARMIENTO will be on sick leave from January 20-30.

(Work will move on a slower pace during this time, but regular hours shall be maintained.)

FROM THE COMPUTER SPECIALIST

Software packages of LOTUS, MULTIMATE, DBASE and others were distributed to scientists and administrative personnel at the beginning of 1986. Francisco Rivera is requesting that if these programs are not in use, they be returned to him for use by others. Thank you.

FOR YOUR INFORMATION

The Panama Canal Commission's Treasurer's Office will move from Ancon to the first floor of Building 725 in Balboa (former Balboa Commissary). It will open at the new locale on Tuesday, January 20. Teller hours will remain the same:

9:00 - 11.45 a.m.

12:45 - 3 p.m.

UPDATE ON STRI TELEPHONES

BCI has a new telephone number-
52-1022

EXPEDITION TO GALAPAGOS

Hortensia Broce, vice-president of the Panama Audubon Society, will be leading a natural history expedition to the Galapagos Islands. The expedition will sail the Galapagos for 7 days, from July 11 - 17, aboard a 16-passenger yacht. See your bulletin board for more information.

SEMINARS

The noon talk scheduled for Tuesday, January 20th, in the Ancon Conference Room will be given by JAMES KENDALL from Texas A & M. His subject:

Measuring Photosynthesis in Corals from the Red Sea.

On the following Tuesday, January 27th, STEVEN MORGAN from the University of Maryland will give the noon talk entitled:

The Impact of Planktivorous Fishes on the Life Histories of Estuarine Crabs.

ARRIVALS & DEPARTURES

January 15 - Arriving, DAGMAR WERNER, after one week on official business in the U.S.

January 19 - Arriving, STEVE HUBBELL, for one month on official business.

January 19 - Arriving, STEVE SMELA, from Princeton University, to work with Robert Stallard on his study of the relationship between soil biogeochemistry and methane generation. He will be on BCI until February 15, 1987.

January 19 - Arriving, PHILLIP REISS, from the Smithsonian Institution's Office of Design and Construction, to consult with STRI Engineer Fernando Pascal.

January 20 - Arriving, TRUMAN YOUNG, from the University of Miami, to collaborate with Steve Hubbell. He will be here until February 28, 1987.

STAFF MEETING

Please remember that the regular scientific staff meeting for the month of January 1987 will be held on Tuesday, January 20th, at 9:30 a.m. in the Ancon Conference Room.

NEW HOLIDAY

Monday, January 19, is an official US and STRI holiday. This is the first year we celebrate MARTIN LUTHER KING DAY.

El lunes, 19 de enero, es un día feriado en los EEUU y para los empleados de STRI. Este es el primer año que celebramos el DIA DE MARTIN LUTHER KING.
