

SEMINARS

The noon talk scheduled for Tuesday, March 24, will be given by JURGEN HOTH from the Universidad Nacional Autonoma de Mexico. His subject:

The Monogamous Mating System of the Volcano Mouse (Neotomodon alstoni): Experimental Evidence.

The STRI Scientific Staff Seminar that same evening will be given by HINDRIK WOLDA at 7:00 p.m. in the Ancon Conference Room. All students and visitors are welcome. His title:

B.C.I. Nightlife and How it Changes.

The following week there will be two noon seminars. On Tuesday, April 7, I. Schlosser will speak on "Environmental variability, trophic interactions and the dynamics of stream fish communities". On Thursday, April 9, D. MacDonald will give a talk on "Mate networks in a lekking tropical bird".

ARRIVALS & DEPARTURES

March 29 - Arriving, MARTY CAPPELLETTI, BETH MILES, RICHARD MOLINAROLI and JUDY GRADWOHL, from SITES (Smithsonian Institution Traveling Exhibition Service). They will be visiting BCI to do the background research in preparation for the new exhibition on The Tropical Rainforest.

March 30 - Arriving, PHILLIP REISS, Director, and J. COLBERT from the Office of Design and Construction (SI). They will be at STRI for 3 days on official business.

March 30 - Departing, HELY CORTEZ, LUIS POLANCO, FRANCISCO RIVERA, and CARLOS URBINA, to participate in a computer training course in Steamboat, Colorado for one week. F. RIVERA will be attending another course in Washington, D.C. the following week.

April 1 - Arriving, MARY RAGOSA, to work on the Hubbell-Foster Plot Project on BCI until April 22.

April 1 - Arriving, MADELEINE JACOBS, from the Office of Public Affairs (SI) for 3 days. Also arriving are MR. AND MRS. GLENN TUPPER AND FAMILY, and MS. GLADYS LEEDY from the Tupper Foundation. They will be participating in the groundbreaking ceremony of the Earl S. Tupper Research and Conference Center on April 3rd.

April 2 - Arriving, DR. DAVID CHALLINOR, Assistant Secretary for Science (SI), also to participate in the groundbreaking ceremonies.

April 3 - Arriving, KOSHIN KIMURA, from Nagoya Gakuin University (Japan) to undertake a behavioral study on social behavior of the howler monkey. He will be on BCI until September 30.

April 6 - Arriving, DAVID BAER, a Ph.D. student from Michigan State University, and OLAV OFTEDAL, Chief of the Nutrition Lab in the National Zoological Park (SI). They will be here for 2 weeks to set up a long-term nutrition project on the green iguana, in conjunction with the Iguana Management Project.

REMINDER FROM PERSONNEL

There will be 3 video showings explaining FERS and the Thrift Savings Plan for STRI permanent federal employees under the new and old US retirement systems:

Tues, March 31 - 1:30 pm at Tivoli
Thurs, April 2 - 11:00 am at Tivoli
Wed, April 8 - 11:30 am at BCI

Habrán 3 presentaciones de un video explicativo sobre FERS y el Plan de Ahorros para los empleados federales permanentes de STRI bajo el viejo y el nuevo sistema de jubilación de los EEUU:

Martes (31 marzo)- 1:30 pm, Tivoli
Jueves(2 abril)- 11:00 am, Tivoli
Miercoles(8 abril)- 11:30 am, BCI

FACILITIES'S NEWS

The replacement of the roof on the Pastor's House which houses the entomology labs and offices has been underway since March 19. Already one-half of the roofing has been redone. Dr. Wolda and his assistants, M. Estribi, S. Martinez, and N. Almanza, who had been temporarily displaced will be able to move back in. However, Annette Aiello and Henry Stockwell will not be able to use their half of the building next week; A. Aiello will be working in the library.

NEW BOOK FOR SALE

The STRI mini-bookstore is now offering for sale the following:

The Proceedings of the Ninth International Congress of Arachnology, Panamá 1983.
Price: \$25.00.
