Agreement with Panamá Viejo *Acuerdo con Panamá Viejo*

STRI and the "Patronato Panamá Viejo" signed an agreement of collaboration for the study and conservation of the "Conjunto Monumental Histórico de Panamá La Vieja" as a national historical patrimony, on Thursday, July 15, for a renewable period of five years, at the Tupper Conference Center. According to the agreement, STRI will support the "Patronato" to establish an international network for technical and financial support, provide counseling for publications, exchange personnel and students for training, and allow the use of the STRI Library and the Tupper Conference Center. The "Patronato" will allow the use of the services of its archaeological laboratories and develop projects publications with STRI ••• STRI y el Patronato Panamá Viejo firmaron un acuerdo de cooperación para el estudio y conservación del Conjunto Monumental Histórico de Panamá La Vieja como patrimonio histórico nacional el jueves 15 de julio, por un período renovable de cinco años, en el Centro Tupper de Conferencias. Mediante este acuerdo de cooperación, STRI se compromete a apoyar al Patronato en la gestión para la creación de una red internacional de apoyo técnico y financiero, asesoramiento para publicaciones, intercambios de personal y estudiantes para entrenamiento, y uso de la biblioteca y el Centro de Conferencias. El Patronato brindará los servicios de sus laboratorios arqueológicos, y desarrollará proyectos y publicaciones en conjunto con STRI.
